Features

- R-1520LK
- Large 14 1/8" diameter Carousel Turntable is the largest turntable of any microwave oven in its class - for added capacity and versatility.
- Sensor Cook Center includes 11 Smart & Easy sensor settings for the most popular microwaved foods. No need to set times or power levels - and no guesswork!
- Interactive Cooking System with Custom Help includes options for English, Spanish or French.
- Defrost Center quickly defrosts meats and poultry by weight. Specific program for each category assures excellent, even results.
- Keep Warm Plus lets you keep hot food hot up to 30 minutes after cooking is finished with no loss of food quality.
- Instant Action Keys save time and make microwaving easy! Touch once for each serving - up to 8. Oven starts automatically.
